Welcome to the Home Sweet Home Boardinghouse, where life is anything but normal. Miss Harriet runs a clean, cozy home with as zany a cast of boarders as you are likely to meet. Leave it to the clever and ever-vigilant Dr. Sni-fell to unravel the mystery that will have you laughing from beginning to end!

The George Betterment Club is a nonprofit organization designed to benefit the community. There are no age limitations for joining the club. Men & women are encouraged to join. The club benefits the city by having fundraisers and putting the money back in to the community. They not only help out the youth, but they also help people in need. The George Betterment Club organizes the Run, Pass, and Punt and Super Shooters contests. They also support Little League, The Sandbox Project, and they raise money for the GEMS and Firemen.
